Welcome address

Dear colleagues,

in the name of the coorganizers Rüdiger J. Paul and Norbert Sachser, I cordially invite you to come to Münster and to participate in the 99th Annual Meeting of the Deutsche Zoologische Gesellschaft. Plenary lectures and symposia will cover latest aspects of integrative zoology, and there will be free oral communications and poster sessions. Lecture halls, poster areas and exhibits are located in one building, greatly facilitating personal interactions. The congress venue is close to the downtown area offering restaurants, pubs and several hotels at moderate prices.

We are looking very much forward to meeting you in Münster.
