DECLARATION OF USE OF GENERATIVE AI

Please note: if your instructor indicates that no use is allowed, use will be counted as plagiarism and the paper will receive a failing grade.

In the present work I have used AI systems such as ChatGPT or comparable tools to the following extent (please mark as applicable).

__ not at all

__ in brainstorming ideas and/or structuring a potential table of contents

__in the creation of individual chapters, subchapters or individual passages, specifically

in the chapters _____

__ in the development/optimization/finalization of software source texts

__for finalizing the work in the sense of proofreading/stylistic improvement

__as the object of research of the submitted work

__in a total scope of no more than ....%

_____
