

# TEACHING CHILDREN'S & TEEN LITERATURE & FILM

## TEFL DAY | 10 March 2016 | University of Münster

THE TEFL TEAM, UNIVERSITY OF MÜNSTER, is organising a TEFL Day 2016. It will be a day of fascinating workshops around the teaching of literary texts: picturebooks, young adult literature, graphic novels, short films and a great deal more. This year we have invited international speakers – therefore the whole TEFL Day will take place in English! When registering for TEFL Day, we ask you to select your preferred workshop (fee: 10€). In order to register, and for more information, please visit the TEFL Day website: [http://www.uni-muenster.de/Anglistik/Research/Tefl/Projects\\_and\\_events/teflday.html](http://www.uni-muenster.de/Anglistik/Research/Tefl/Projects_and_events/teflday.html)

Interested teachers are warmly invited to attend, in addition, the International Conference **CHALLENGING READING: English-Language Education with Children and Teenagers** that follows our fourth TEFL Day.
