In this colloquium, open to any discipline, scholars working in the anthropological and medical anthropological field in and beyond Germany will present their current research.

Master of Arts students are highly recommended to attend this series of lectures because it will provide them with a new insights into current concerns and topics in the fields of social and cultural anthropology.

Students taking part in the course "Translocal Relations" are required to attend this colloquium for 1 CP.

Alle Interessierten sind zu diesen Vorträgen herzlich eingeladen.
