Teacher and teaching

Additional notes and comments for the teacher (suggestions, praise, criticism). (Note: Please write inside the box only. The teacher will receive an image of your hand-written comments.)

I found it very nice that we could have so much interaction, and that you tried to make us speak and think about the topics. Sometimes I would have preferred that we spend a little more time on the 3rd part to talk about the chapters. But I found the 2nd part always very interactive so as the 3rd one, even if it was sometimes a little chaotic.
