

3rd International Workshop Nonlinear Response in Complex Matter

Primošten (Croatia), 26–30 September 2016

The workshop covers the response of soft matter systems, ranging from colloidal suspensions, super-cooled liquids, to metallic solids, to strong driving by shear, external forces and fields.

Speakers include

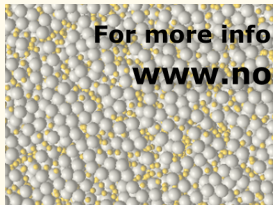

Jörg Baschnagel (*Strasbourg, France*) Ranko Richert (*Tempe, USA*)
Jean-Louis Barrat (*Grenoble, France*) Peter Schall (*Amsterdam, Netherlands*)
Giulio Biroli (*Gif-sur-Yvette, France*) David Sidebottom (*Omaha, USA*)
Luca Cipelletti (*Montpellier, France*) Peter Sollich (*London, United Kingdom*)
Robert Jack (*Bath, United Kingdom*) Brian Tighe (*Delft, Netherlands*)
Sabine Klapp (*Berlin, Germany*) Thomas Truskett (*Austin, USA*)
Vincent Krakoviack (*Lyon, France*)
Francois Ladieu (*Strasbourg, France*)
Itamar Procaccia (*Rehovot, Israel*) ... and selected projects of FOR1394

Contributed oral and poster presentations are welcome!

Program Committee

Stefan Egelhaaf (*Düsseldorf*) Matthias Fuchs (*Konstanz*) Konrad Samwer (*Göttingen*)
Thomas Franosch (*Innsbruck*) Andreas Heuer (*Münster*)
