

The Institute for Sport and Exercise Sciences (Department of Sport Psychology) at the University of Münster, Germany, invites applications for the position of a

### **Part-time position as lecturer (Salary level 13 TV-L)**

The lectureship is offered for 24 months as part-time position for 50% of the regular weekly working hours of 39 hours and fifty minutes. According to the Law on Part-Time and Restricted Employment (§ 14 Abs. 2 TzBfG ("Teilzeit- und Befristungsgesetz")) the position can only be offered to applicants who have never held a restricted or unrestricted job position at the University of Münster, Germany before.

Subject to a successful accreditation of the B.Sc. program 'Human Movement in Sports and Exercise' the position is to be filled as of 1 April 2016. The position is fully financed by funds from the Higher Education Pact II of the North-Westphalian Government.

#### **Job description**

Successful candidates will be given teaching responsibilities in the B.Sc. program 'Human Movement in Sports and Exercise' in the field of sport psychology and research methods. Lectures and seminars will be exclusively conducted in English. Job obligations include teaching 3-4 classes per week (2hrs each per week), responsibility for taking exams, and in dependence of these teaching tasks additional administrative tasks.

#### **Qualifications**

Applicants must hold a master degree or an equivalent degree in Sports or Exercise Sciences or in related subjects (for example, psychology). Applicants are expected to command excellent knowledge and skills in research methods, in particular statistics and experimental design, and in sport psychological research on expertise, for example, perception and attention, social influences on performance and decisions, motivation and emotion, motor learning. Applicants are required to have a very good command of English, both written and spoken. Interest in further academic qualification is appreciated.

The University of Münster is an equal opportunity employer and is committed to increasing the proportion of women academics. Consequently, we actively encourage applications by women. Female candidates with equivalent qualifications and academic achievements will be preferentially considered within the framework of the legal possibilities. We also welcome applications from candidates with severe disabilities. Disabled candidates with equivalent qualifications will be preferentially considered.

#### **Applications should submitted (also via Email) by 1 Jan 2016 to**
