

Dalian University of Technology

Campus Spotlights

History

In history, the teachers, students and alumni of the university regard national prosperity and rejuvenation as their own responsibility, and have created many "First" in science and technology.

Students

Full-time enrollment	42,652
Undergraduates	25,512
PhD study	4,616
Master's study	11,113
International students	1,411

Disciplines

First-Class Discipline in China

- Chemical Engineering & Technology
- Mechanical Engineering
- Mechanics
- Civil Engineering
- Environmental Science & Engineering
- Management Science & Engineering
- Business Administration
- Mathematics
- Materials Science & Engineering
- Power Engineering & Engineering Thermophysics
- Information & Communication Engineering
- Control Science & Engineering
- Computer Science & Technology
- Hydraulic Engineering
- Software Engineering

A
2%-5%

A-
5%-10%

B+
10%-20%

Faculty & Schools

Main Campus

- Faculty of Chemical, Environment and Biological Science and Technology
- Faculty of Mechanical Engineering, Materials and Energy
- Faculty of Electronic Information and Electrical Engineering
- Faculty of Infrastructure Engineering
- Faculty of Vehicle Engineering and Mechanics
- Faculty of Humanities and Social Science
- School of Economics and Management
- School of Architecture and Fine Art
- School of Marxism
- School of Foreign Languages
- School of Physics
- School of Mathematical Sciences
- School of Optoelectronic Engineering and Instrumentation Science
- Zhang Dayu School of Chemistry
- Physical Education Department
- School of International Education
- School of Innovation and Entrepreneurship
- DUT-BSU Joint Institute Dalian University of Technology
- School of National Defense Education
- School of Distance and Continuing Education
- City Institute (independent)
- Graduate School of Education
- Institute for Energy Science and Technology
- Beijing Research Institute

Campus of Development Zone

- School of Software Technology
- DUT-RU International School of Information Science & Engineering
- School of Microelectronics
- Software Engineer Institute

Panjin Campus

- School of Petroleum and Chemical Engineering
- School of Ocean Science and Technology
- School of the Food and Environment
- School of Life Science and Medicine
- School of Humanities and Law

- School of Business
- School of Intellectual Property
- School of Mathematical and Physical Sciences
- Leicester International Institute, Dalian University of Technology

Rankings

Ranking/Year	2017	2018
ARWU	301-400	201-300
URI	21-30	21-30

- ARWU-Academic Ranking of World Universities
- URI-China University Rankings by Internationalization

High-level Scientific Research Platforms

Liaoning Collaborative Innovation Center of Major Machine Manufacturing

- 3 State Key Laboratories
- 1 National Engineering Research Center
- 1 National Engineering Laboratory
- 6 National & Local Joint Engineering Research Center
- 1 National University Science Park
- 1 National Technology Transfer Center
- 1 National Technology Center
- 1 National Intellectual Property Strategy Implementation Research Base
- 1 National Intellectual Property Training Base (Liaoning)

International Cooperation and Exchanges

220+ International Partner Universities and Institutions

Dalian University of Technology (DUT) is a national key university under the direct administration of the Ministry of Education of P. R. China. Currently, 9 disciplines of DUT are selected into the top 1% in ESI international disciplines ranking, of which engineering, chemistry and materials science entered world top 1%; 12 disciplines are

selected into Top 500 in QS world discipline ranking, the number of disciplines ranking the 18th in all universities in China; 16 disciplines are selected into the Times Higher Education world discipline ranking, the number of disciplines ranking the 11th in all universities in China.
