I was able to understand the study texts well.
The basic texts helped me to understand the topics covered better.
Whenever clarification was needed, the teacher’s explanations facilitated my understanding of the study texts.
The teacher provided some guiding questions that helped me deal with the text.

The study trip provided me with career orientation.
The study trip opened up concrete career perspectives for me.
During the study trip I experienced how theoretical knowledge can be put into practice.
In my opinion the study trip provided a link between studies and the world of work.
The experiences I made during the study trip were instructive.

The media used by the teacher helped me understand the course content.
The additional materials provided helped me learn better.
The quality of the additional materials was good.
In my opinion the amount of material provided during the course was...

How many meetings did you miss during this course?
Because of time constraints
Because there was no alternative course
This course was my
Because I am interested in the subject matter
Because no information was available when choosing
Because of the teacher
Because it is a compulsory course
Additional module: Course parameters  [Fortsetzung]

In my opinion the room and the equipment were conducive to successful learning.

The noise level never impeded my ability to work.

There was a friendly atmosphere between the teacher and the students.

Additional module: Discussion

There was sufficient discussion to enable me to look at the subject matter from various perspectives.

I was able to participate in the discussions in a meaningful way.

The discussions deepened my understanding of the content.

Whenever clarification was needed, the teacher’s explanations were helpful.

The discussions taught me to defend my viewpoint.

I consider the discussions that took place during the course productive and fruitful.

The discussions encouraged me to take a closer look at the subject matter.

Additional module: Excessive demands

The course content was too difficult for me.

The course content was communicated too fast for me / for me to understand.

In my opinion the course was too time-consuming.

Additional module: Feedback given by other students

I found the other students’ feedback useful.

The other students gave me sufficient feedback.

The other students gave me constructive feedback.

In my opinion the other students’ feedback related to the tasks given.

I had no problems accepting the other students’ feedback.

I was able to profit from the other students’ feedback in such a way that it will help me with future tasks.
Additional module: Feedback given by the teacher

I found the teacher's feedback useful.
The teacher gave me sufficient feedback.
The teacher gave me constructive feedback.
In my opinion the teacher's feedback related to the tasks given.
I had no problems accepting the teacher's feedback.
I was able to profit from the teacher's feedback in such a way that it will help me with future tasks.

Additional module: Group work

The teacher explained the aims of the group work clearly to me.
The tasks I had during the group work were clear to me.
It was important to me that my group had a good result.
During the group work I received helpful suggestions from other students.
As a result of the group work my teamwork skills have improved.
I felt the teacher gave me support during the group work.
I learned a lot during the group work.

Additional module: Homework

I felt that the amount of homework required was excessive.
The homework was too difficult for me.
The homework deepened my understanding of the course content.
I was able to understand the tasks set without any problems.
In my opinion the follow-up discussion on the homework was adequate.
The follow-up discussion on the homework helped me learn better.

Additional module: Moderation

The structure of the moderation helped me understand the course content.
The commitment shown by the moderator motivated me to participate.
I was able to understand the language used by the moderator.
The moderator spoke confidently and competently.
The moderator was able to explain difficult matters in such a way that I understood them.
The moderator was successful in guiding discussions.
Additional module: Presentations

How many presentations were held?

How long were these presentations on average? (in minutes)

How would you assess the length of the presentations?

too short  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 too long

disagree completely  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 agree completely

tend to disagree  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 tend to agree

disagree strongly  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 agree strongly

tend to strongly disagree  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 tend to strongly agree

The teacher took enough time to assist me in the preparation of my presentation.

The teacher made helpful suggestions regarding the preparation of the content of my presentation.

My own presentation was important for me.

I improved my competence in preparing material for others in such a way that they could understand it.

I improved my competence in presenting material to others in such a way that they could understand it.

Giving the presentation helped me improve my speaking skills.

While I was planning my presentation, the teacher supported my own ideas/suggestions.

On a scale ranging from 1.0 (very good) to 5.0 (unacceptable), I would grade the quality of the presentations held as follows:

1.0  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 1.3  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 1.7
2.0  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 2.3  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 2.7
3.0  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 3.3  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9 3.7
4.0  x0 x1 x2 x3 x4 x5 x6 x7 x8 x9

Additional module: Student research

The support given by the teacher while I was planning and carrying out my research was sufficient.

The teacher helped me implement my own ideas and suggestions during research.

The material needed for my research was made available to me.

In my opinion the quality of the material provided was good.

The technical equipment provided for my research was good.

I learned a lot as a result of my research.

I think that doing research is necessary preparation for later practical work.

Additional module: Term papers

The requirements regarding the term paper were clear to me at all times.

I was able to complete the term paper within the prescribed time span.

The time taken up writing the term paper did not exceed the time span stipulated in the Module Handbook.

The materials provided made it easier for me to write my term paper.

The teacher assisted me in the search for material.
Additional module: Term papers  [Fortsetzung]

I would have liked to have more support from the teacher.
