MAKE
THINGS
HAPPEN!

› SAFIR

- › is „WWU's Advisory Service for Research Grant Applications“.

We give advise on all questions regarding national and international funding programmes.

› FUNDING

- › You are an academic working at the University of Münster and need funding for your project idea?

We are happy to help you!

› SAFIR

- › provides information on research funding programmes and calls for proposals of the German Research Foundation (Deutsche Forschungsgemeinschaft), the federal and regional ministries, of foundations and other national and international sponsors,
- › offers information for researchers on setting up Collaborative Research Centres, Research Units, Research Training Groups and on submitting proposals to the Federal Ministry of Education and Research (BMBF),
- › advises young scientists writing their own proposals,
- › establishes contact with experienced scientists of WWU Münster who may support you with your proposal,
- › offers information about current calls for research funding proposals via our information service FIT, our web presence and in workshops,
- › advises you on calls for nominations for research prizes,
- › offers advice on the calculation of industrial contract research projects,
- › helps you to get research funds for alternatives to animal testing,
- › puts at your disposal an overview on how to fund academic events at WWU Münster (in German only),
- › offers information on financing your academic travels with FUF – Forsch und Fahr (research and travel) (in German only),
- › informs junior academics on how to fund their doctoral degree,
- › advises students on how to submit research proposals funded by WWU Münster.
