PUBLICATIONS
Helmut Maurer

BOOK and EDITED VOLUMES

BOOK CHAPTERS

REFEREED JOURNAL ARTICLES and CONFERENCE PROCEEDINGS

24. H. Maurer and W. Semmler, Expediting the transition from non-renewable to renewable energy via optimal control, Discrete and Continuous Dynamical Systems, 35 (9), 4503–4523 (2015).

45. **N.P. Osmolovskii and H. Maurer**, Second order sufficient optimality conditions for a control problem with continuous and bang-bang control components: Riccati approach, Proceedings of the 23rd IFIP Conference on System Modeling

SELECTED PUBLICATIONS prior to 2000

91. H. Maurer, First and second-order sufficient optimality conditions for in mathematical programming and optimal control, Mathematical Programming Study, 14, 163–177, 1981.
