

MaRDI Annual Meeting 2026

11-13 November 2026 | Münster, Germany

The Mathematical Research Data Initiative (MaRDI) Annual Meeting brings together MaRDI members and invited guests to discuss FAIR mathematical research data, reproducible workflows, knowledge graphs, repositories, and the scientific and infrastructural direction of MaRDI's next project phase.

Confirmed Speakers

Anne-Laure Boulesteix (LMU Munich)

Tim Conrad (ZIB)

Dominik Göttsche (University of Stuttgart)

Birgit Jacob (University of Wuppertal)

Alexander Kasprzyk (Imperial College London)

Ulrike Lucke (University of Potsdam)

Sebastian Pokutta (ZIB / TU Berlin)

Björn Schembera (University of Stuttgart)

Sonja Schimmler (Fraunhofer FOKUS / TU Berlin)

Floris van Doorn (University of Bonn)

Frank Wübbeling (University of Münster)

Scientific Committee

Christine Biedinger

Tim Conrad

Stephan Haug

Lars Kastner

Mario Ohlberger

Stephan Rave

Frank Wübbeling
