

Are your dreams important?

Then it's time to put them on paper again.

Remember? Your dreams as a child, picturing a future without limits or restraints? At Sappi, we still possess this quality. We see a future in which we enhance our position as the world's leading producer of coated fine paper. Because only by permanently growing and re-inventing ourselves, we can guarantee our customers the most reliable and innovative paper solutions.

But to make this come true, we need people who want to share both our dream and our key employment values: **integrity and trust, freedom with responsibility, courage to explore new avenues** and **personal development**. Sappi Fine Paper Europe is a division of Sappi Limited, a global leader in pulp and paper. Our team in Europe consists of approximately 7,000 people. And with mills in 6 countries and about 17 sales offices in Europe, Sappi Fine Paper Europe may well have the job you're looking for. So please get in touch with us if you have always dreamed of being a

European Management Trainee

Purpose of the job:

The two year European Management Trainee Programme has the purpose to develop Sappi's future managers. It consists of two or more multidisciplinary assignments which can be situated in different locations in Europe.

In the program you will participate together with other trainees in several workshops concerning different topics in management and presentations by all business directors. To support you, coaching will be provided on an organizational level as well as on an individual development level.

Your profile:

- As a candidate European Management Trainee, you have at least a Master's degree (different disciplines are welcome)
- You have a maximum of two years' working experience
- You speak and write fluent English and speak at least one other European language, Dutch and/or German
- You have strong interpersonal skills and a talent for leadership
- You are driven and have a hands-on personality
- You have a large capacity to adapt quickly and are looking for new challenges
- You are flexible, mobile and willing to travel and work abroad (European Countries)
- Working in a multicultural environment attracts you

An attractive remuneration package and interesting European career opportunities are offered.

If you are interested in joining this programme, please send us your letter of applications and full CV (in English) to
