

Universität Regensburg

The **Department of Mathematics** invites applications for a

Tenured Professorship (W3) in Pure Mathematics (Chair)

commencing **as soon as possible**.

We are seeking for candidates with an outstanding research record to strengthen the activities of the recently established research center SFB 1085 "Higher Invariants - Interactions between Arithmetic Geometry and Global Analysis", funded by a research grant of the DFG (German Research Foundation). We expect a major research focus on Higher Invariants in Arithmetic Geometry or Global Analysis. Furthermore, the participation in the scientific programs of the Johannes Kepler Research Center for Mathematics and the structured PhD education of the department is desired. The duties will also include adequate participation in the teaching responsibilities of the department, in particular introductory lectures, mathematics courses for students of natural sciences and the training of prospective high school teachers.

Formal requirements are: a successfully completed academic study, pedagogical aptitude, a PhD degree and additional academic achievements on the level of a German Habilitation.

Universität Regensburg is an equal opportunity employer and candidates with disabilities will be given preference, provided they are equally qualified.

According to state university law, applicants must be under 52 years of age (for exceptions, see BayHSchPG Art. 10, Sec. 3, Sentence 2).

As we are seeking to increase the number of female faculty members, women are strongly encouraged to apply. In addition, Universität Regensburg supports work-family balance (for further information, visit <http://www.uni-regensburg.de/equal-opportunities/index.html>).

Applications should include a curriculum vitae, diplomas, certificates, a list of publications and a research statement (in paper form and additionally as PDF). Applications should be sent

no later than October 17th, 2014

to the Dean of the Department of Mathematics: **Dekan der Fakultät für Mathematik der Universität Regensburg, Universitätsstraße 31, D - 93053 Regensburg, Germany** (Fakultaet.Mathematik@mathematik.uni-regensburg.de).
