Ada Lovelace Seminar

Ada Lovelace Fellows 2025

5 December 2025 | 2:15 pm | SRZ 216/17

Get an insight into the research of the Ada Lovelace Fellows 2025. In short scientific presentations they will introduce their research. After the talks, there will be the opportunity to exchange ideas while enjoying tea, coffee and cake in the Common Room.

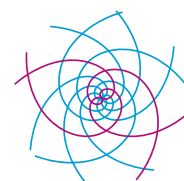

- **Anna Cascioli:** C^* -simplicity and Burnside groups
- **Raquel Murat García:** Fibrations over coset spaces and condensed group cohomology

Get-together afterwards in the Common Room.
