## Generic Studies

---

- Depends on the subject how many credits you have to gain
- Multiple offers from the WWU:
  - Language courses
  - Career Service
  - Lectures
  - Poetry Slam
  - ...
- **also:** Leading an exercise group for a subject
  - Vacancies per notice board (December/January or May/June)
  - candidature via online portal

## Important Websites

---

# Important Websites

- Learnweb where the profs will upload all course content like lectures and exercises. You can search for each course you want to take this semester and sign up for it.
- QISPOS where you can find an overview of lectures and courses you might want to take. Also you need to register your exams here. Beware of deadlines!
- Exams office if you have questions or issues regarding your registration for exams
- Profile Service where you can find your semester confirmation certificates, or your semester train/bus ticket
- WWU IT Portal where you can administrate your passwords, group memberships, printing configurations and much more

**What else?**

---

## Sciebo - the Campuscloud

- Underlies german guidelines for data safety
- 30GB Memory
- Many possible collaborations
- based on ownCloud

## Printing and Scanning

- Many Multimedia devices in our buildings
  - Copy and printing via student ID card
  - Scannen via student account (IT Portal)
  - Can be used while in the network or VPN
- Print&Pay (ZIV)
  - Comfortable per direct debit
  - Even poster and 100g-Paper available

## **Student council (Fachschaft)**

---

- Multiple fun and info events:
  - Matheparty (Student party)
  - Feuerzangenbowle (Movie in lecture room)
  - Math and Info have perspectives (Presentation of companies)
  - ...
- Provides old exams and protocols
- Rooms to train seminar presentations
- ...and many other things!
