

# General Information

## Venue

Institute for Pharmaceutical and Medicinal Chemistry, PharmaCampus, Universität Münster, Corrensstr. 48, 48149 Münster, Germany.

## Meeting Rooms

Conference opening will start on Monday, September 9<sup>th</sup> at 18:00 and will take place in lecture hall 1 of the PharmaCampus, Universität Münster. Welcome reception and barbecue will take place on September 9<sup>th</sup> at 20:00 in the yard of the PharmaCampus, Universität Münster.

## Poster Area

The posters are presented on the ground floor of the PharmaCampus.

## Badges

A name badge must be worn by each registered conference participant in order to gain admittance to scientific sessions and social gathering.

## Registration

The Conference registration desk is located directly at the entrance of the PharmaCampus and will open on Monday, September 9<sup>th</sup> at 17:00 and on Tuesday, September 10<sup>th</sup> at 08:00.

## Guidelines for speakers

Speakers must bring their presentation on a USB-stick. The presentation must be a PowerPoint file and as a back-up, also as a PDF document. All presentations will be presented from a laptop on site. The laptop has PowerPoint 2016 installed. Preferred file format is PPT or PPTX. Please do not use MAC file format. There will be technicians in the lecture room to assist you with your presentation. Speakers are kindly requested to give their USB-sticks to the technicians in the lecture room, preferably early in the break before the beginning of the corresponding session. A pre-layout-check will then be carried out together with the speakers. Speakers should be aware of the time limit of their talks due to the tight scheduling. Invited lectures are scheduled for 20 + 10 minutes (talk + discussion), short oral presentations 10 + 5 minutes.

## Guidelines for poster presentations

Posters will be presented on the ground floor of the PharmaCampus, during the whole conference period. The format of the posters needs to be upright (width: 84,098 cm, height: 118,899 cm. Alternatively, smaller dimensions

can be used, but the “upright” format is absolutely necessary.) The posters should be put up before the Opening Session and removed from the board after finishing the last session of the conference.

Poster boards are labeled with the number corresponding to the number of the abstract in the present book (for the number see your submitted abstract, on the top right).

Appropriate material to fix the posters is provided at the registration desk.

### Free “Welcome! Ticket Münster”

Participants of the CK2–conference will receive a free “Welcome! Ticket Münster”, which entitles them to any number of journeys by bus and train within the municipal area of Münster, including night buses.

### Special issue

The German Society of Biochemistry and Molecular Biology (GMB) offered us to publish a special issue on the 9th conference of protein kinase CK2 in the journal *Biological Chemistry* (Walter de Gruyter Publishing). Participants of the conference are encouraged to submit contributions (reviews, minireviews, research Articles, short communications) until the 15th of December 2024.

### Awards

Awards will be given to the best poster presentation with support of the CSK–N2A1 foundation and to the best oral short presentation as sponsored by Pharmaceuticals (MDPI, Basel). These awards will be announced and handed over on Thursday, September 12th, after the last session at the end of the conference.

### The 9th International Conference on Protein Kinase CK2 is supported by:

- Fonds der Chemischen Industrie (FCI), Frankfurt am Main, Germany
- Dr. Rolf M. Schwiete Stiftung, Mannheim, Germany
- CSNK2A1 Foundation, San Francisco, USA
- Microsynth AG, Balgach, Switzerland
- International Office of Universität Münster, Germany

### The 9th International Conference on Protein Kinase CK2 is sponsored by
