KÄTE HAMBURGER KOLLEG

The Käte Hamburger Kolleg “Einheit und Vielfalt im Recht | Legal Unity and Pluralism” (EViR) at the University of Münster (WWU) has been funded by the Federal Ministry of Education and Research (BMBF) since 2021. Fellows from all over the world, together with scholars from Münster, examine the dynamic tension between legal unity and pluralism from antiquity to the present. This is the first attempt to systematically investigate the phenomenon in its entire historical depth and across disciplinary boundaries. In addition to (legal) history, many other disciplines such as ethnology and sociology, as well as literature and religious studies, are involved in the Kolleg.
