Mathematics Münster Master Day

7 April 2022 | 2 pm (CET) | online

The Mathematics Münster Master Day is an online event aimed at students at the undergraduate level to broadcast the **International Master's Programme** at the University of Münster (WWU). The meeting features an invited lecture by a mathematical researcher from WWU, an information session about our programme (including scholarship opportunities) and an informal gathering with selected members of our faculty.

Schedule

- 2:00 pm:** Welcoming remarks
- 2:10 pm:** Ursula Ludwig: Morse theory and beyond
- 3:10 pm:** Info session about the master's programme at WWU
- 3:25 pm:** Informal gathering with selected faculty

Registration
