

Specialization in Group Theory and Representation Theory (GR) Number Theory and Arithmetic Geometry (AG)

Current Courses and Seminars

Summer semester 24

Tent: „**Stable Groups**“ (Specialization GR)

Lourenço: „**Algebraic Geometry 2**“ (Specialization AG, GR)

Deninger: „**Seminar: Local Algebra**“

Winter semester 24/25

Hartl: „**Commutative Algebra**“ (Specialization AG, GR)

Kramer: „**Locally Compact Groups**“ (Specialization GR)

Hellmann: „**Algebraic Number Theory**“ (Specialization AG, GR)

Summer semester 25

Hartl: „**Linear Algebraic Groups**“ (Specialization AG, GR)

Hellmann: „**Algebraic Number Theory 2**“ (Specialization AG, GR)

Hartl: „**Seminar**“
