HTG is a German immersion school which means that the children start to learn German from Year 1. Another key feature is music: It plays an important role in school life and there are many concerts and musical productions throughout the year. HTG offers a wide range of clubs that the children can join such as sports, choir, dance, photography, film clubs and science. Each classroom at HTG is equipped with a computer and interactive whiteboard.

More information about the school can be found here: <https://www.haaf.org.uk/Hatcham-HTG>

At HTG you will help to plan German activities and lessons and produce resources to help students to improve their language skills. You will also get an opportunity to contribute to cross-curricular work in collaboration with other subject areas as well as introduce students to your own culture by discussing topics such as current affairs, films, sport and festivals. You may also support the creation and/or development of international partnerships with a school in Germany.
