

Cine Club Winter 2023/24

Documentary Screening Series

The proposed list of documentaries mainly focuses on the intricate facets of imperialism and colonialism. By presenting diverse perspectives and narratives, these documentaries will illuminate the complexities and far-reaching impacts of colonial legacies. Through these screenings, we aim to spark engaging dialogues, explore, and reflect upon this crucial chapter of history in the present-day context, and encourage critical thinking among our student community and beyond.

			
18.12.2023 The Iron Wall (2006)	8.01.2024 The Black Power Mixtape 1967-1975 (2011)	22.01.2024 Roadmap to Apartheid (2012)	05.02.2024 Concerning Violence (2014)
