

How to write a term paper?

Workshop

Fr. 8. Jan. 2021 12:00-16:00

zoom (receive id and password by e-mail: schleiter@uni-muenster.de)

This workshop introduces the basics of writing a term paper in Social Anthropology. How can I find literature and identify academic debates that relate to my topic? In which ways can an argument be framed and a term paper structured? What effects are created by different forms and styles of writing?

The workshop is part of the MA in Social Anthropology. Please submit 1-2 sentences describing the idea/topic of your planned term paper together with your registration, if possible. To receive peer feedback on your writing during the workshop, please send a sample of your writing (max. 2-3 pages, by 3rd Jan 2021) to be circulated among participants.

Participants should register with: schleiter@uni-muenster.de (Dr. Markus Schleiter, by 3rd Jan 2021).
