

The Anthropology Cine Scene Club invites
Carnival

2012, dir. Madhuja Mukherjee, with Dhritiman Chaterji & Shayan Munshi,
62 mins, English Inter-titles, Experimental feature film

Film Show, with introduction and q&a of the director Dr.
Madhuja Mukherjee
Moderation: Markus Schleiter

A story of four days, the film begins with Babu's return to the city after the demise of his ailing mother. The compelling festivity of the Hindu Autumn festival – Durga Puja – juxtaposed with his father's numbness baffle him. Babu appears distracted and uneasy. On the last day of the Puja while Babu hopes to escape the situation the jubilant and maddening mob takes over the story in their frenzy. Gradually, the plot meanders into nothingness.

Thursday, 22nd November 2018, 16:30

Institute of Ethnology – Studstr. 21 – STU 105 (Room 2.10)
