

For all MA students of the 1st and 2nd semester

Those of you who are not yet acquainted with the WWU Career Service are invited to a special occasion, please sign up.

The head of the career service, Herr Andreas Eimer, invites us to come and see the facilities on Tuesday the 5th of July, 16.15. We can walk jointly there from the institute after the lecture/seminar.

Herr Eimer will give a short introduction (about 45 minutes) to the proceedings and services of the WWU career service and we can bring our questions and future plans to his attention.

Afterwards we will have time for a cool drink somewhere.

Regards, Your institute
