

4th - 6th October 2018 | University of Münster

1st Münster Evolution Meeting

Present and discuss evolutionary questions across all fields (Botany, Zoology, Microbiology, Medicine, Philosophy, ...) and levels (from molecules to societies)!

The Münster Evolution Meeting (MEM) wants to provide a forum for all Evolutionary Biologists working across different fields. Besides having the opportunity to share and learn about excellent research in evolutionary biology MEM also aims at bringing together Evolutionary Biologists working in German-speaking countries in a smaller setting, to allow for intensive networking and discussion. Münster is a welcoming and vibrant university town, offering a perfect venue. It was the home of Prof. Dr. Bernhard Rensch, who contributed significantly to the “Modern Evolutionary Synthesis”.

Confirmed speakers

Prof. Dr. Tal Dagan	Prof. Dr. Katja Nowick
Prof. Dr. Julia Fischer	Prof. Dr. Susanne Renner
Prof. Dr. Susanne Foitzik	Prof. Dr. Thomas Schmitt
Prof. Dr. Peter Hammerstein	Prof. Dr. Hinrich Schulenburg
Prof. Dr. Judith Korb	Prof. Dr. Ralf Sommer
Prof. Dr. Christian Kost	Prof. Dr. Sandra Steiger
Prof. Dr. Axel Meyer	Prof. Dr. Wolfgang Stephan
Prof. Dr. Oliver Niehuis	Prof. Dr. Diethard Tautz

Local Organizers

Institute for Evolution and Biodiversity
Münster Graduate School of Evolution

Chair

Prof. Dr. Jürgen Gadau
