

17th – 20th March 2025

3rd Münster Evolution Meeting

Present and discuss evolutionary questions across all fields (Botany, Zoology, Microbiology, Medicine, Philosophy, ...) and levels (from molecules to societies)!

The Münster Evolution Meeting (MEM) wants to provide a forum for all Evolutionary Biologists working across different fields. Besides having the opportunity to share and learn about excellent research in evolutionary biology MEM also aims at bringing together Evolutionary Biologists working in German-speaking countries in a smaller setting, to allow for intensive networking and discussion. Münster is a welcoming and vibrant university town, offering a perfect venue. It was the home of Prof. Dr. Bernhard Rensch, who contributed significantly to the “Modern Evolutionary Synthesis”.

Confirmed speakers

Prof. Dr. Annette Becker	Dr. Jenna Gallie
Prof. Dr. Arndt von Haeseler	Dr. Lukas Schrader
Dr. Astrid Böhne	Prof. Dr. Lutz Becks
Dr. Clemens Kuepper	Prof. Dr. Miriam Liedvogel
Prof. Dr. Eva Stukenbrock	Prof. Dr. Ralf Sommer
Prof. Dr. Hanna Kokko	Dr. Sonja Grath
Dr. Iker Isarri	

Organizers

Prof. Dr. Jürgen Gadau
Prof. Dr. Katja Nowick
Dr. Pete Czappon
