

Basics in Evolution

Summer Semester 2025 | Mondays 17.00–18.15

Social Room at the Institute for Evolution and Biodiversity
Hüfferstr. 1, 48149 Münster

**April
14**

Magnus Wolf

Institute for Evolution and Biodiversity, Uni
Münster

Evolutionary trees

**April
28**

Nora Schulz

Institute for Evolution and Biodiversity, Uni
Münster

Host parasite coevolution

**May
05**

Benjamin Bomfleur

Institute of Geology and Palaeontology, Uni
Münster

Fossil record

**May
12**

Jürgen Gadau

Institute for Evolution and Biodiversity, Uni
Münster

Evolution of social behaviour

**May
19**

Stephan Ludwig

Center for Molecular Biology of Inflammation, Uni
Münster

Evolution of viruses – viruses in
evolution

**May
26**

Pete Csuppon

Institute for Evolution and Biodiversity, Uni
Münster

Evolutionary game theory

**June
16**

Joachim Kurtz

Institute for Evolution and Biodiversity, Uni
Münster

Epigenetics

**June
23**

Bharat Ravi

Institute for Evolution and Biodiversity, Uni
Münster

Protein evolution

**July
07**

Ulrich Krohs

Department of Philosophy, Uni Münster

Recapitulation
