

Constructing Learning Outcomes in Europe:

A multi-level analysis of (under)achievement in the life course

FINAL CONFERENCE

September 16, 2025

Fundação Cidade de Lisboa

Campo Grande 380, 1700-097 Lisbon, Portugal

FROM LEARNING TO LIVING

Co-creating education quality across European regions

Conference Theme & Research Context

What are educational achievements? What institutional, structural, individual, and spatial factors decide on educational success? And how do they interact in the process of constructing learning outcomes? The Final Conference of the European Horizon project CLEAR presents exclusive findings on the multiple factors and actors affecting the construction of learning outcomes and the quality of living and learning in Europe's regions.

For registration and more information about the project, please visit our website:
