

CREDIT POINT ASSESSMENT FORM

Not TO BE COMPLETED FOR APPLICANTS WITH A BACHELOR DEGREE FROM GERMANY.

ABOUT THIS FORM

This assessment form is required for the online application to the Master's degree program in Geophysics at the University of Münster. The form is used to assess the individual competences you have acquired during your Bachelor's degree.

GUIDELINES

Please assign the Bachelor's courses from your transcript of records to the categories (e.g. GEOPHYSICS, EXPERIMENTAL PHYSICS, ... , see tables below), describe the content using keywords and indicate for each individual course the duration of the course in weeks (W), the contact hours (CH) that you spent per week in the lecture or in the laboratory, as well as the weekly hours for homework (HH). For modules comprising different types of courses, e.g. lecture plus laboratory, please create separate entries indicating the workload in hours of each individual part.
