

Dear students,

The winter call 2024/2025 of our **International PhD Programme (IPP, www.imb.de/PhD)** in Mainz, Germany, is now open with more than 20 positions!

Projects are advertised in two separate calls based on the topics of:

- “Molecular Mechanisms in Genome Stability & Gene Regulation”
 - You can check out the poster for this call [here](#).
- “Molecular Biomedicine & Ageing”
 - You can check out the poster for this call [here](#).

For more information about our PhD Programme, the offered projects and how to apply, see [here](#).
The application deadline is **24 October 2024**.

Thank you very much for your support and best wishes from Mainz,
Your IPP recruitment team
