## **Postdoctoral Research Associate**

*Wissenschaftliche Mitarbeiterin/Wissenschaftlicher Mitarbeiter*  
(full-time, salary Level TV-L E 13)

The position is expected to be available from 1 May 2021 and is fixed-term for 4 years. Currently, the regular full employment time is 39 hours and 50 minutes per week. All posts can, as a rule, also be filled as part-time positions if there are no compelling work-related reasons against doing so.

The scope of duties includes:

- researching the structural conditions of a transformation to 1.5-degree lifestyles in the EU funded Horizon 2020 project 1.5°LIFESTYLES
- supporting the Consortium leader in the coordination of the project and collaborating on relevant dissemination activities
- collaborating on research and organization activities with the team of the Chair in International Relations and Sustainable Development as well as the Center for Interdisciplinary Sustainability Research (ZIN) at the University of Münster

The following requirements must be met:

- an outstanding doctoral dissertation in political science or a closely related discipline
- sound expertise in sustainable development and political economy perspectives as well as social science methods
- experience conducting collaborative research projects
- excellent English language skills
- German language skills are not a requirement, but a willingness to learn is desirable
- interest in working in interdisciplinary environments

The University of Münster is an equal opportunity employer and is committed to increasing the proportion of women academics. Consequently, we actively encourage applications by women. Female candidates with equivalent qualifications and academic achievements will be preferentially considered within the framework of the legal possibilities.

The University of Münster is committed to employing more staff with disabilities. Candidates with recognized severe disabilities who have equivalent qualifications are given preference in hiring decisions.

Please submit your application including the usual documents, in one PDF file, by 8 March 2021 to Prof Doris Fuchs at the following address: [sustainability@uni-muenster.de](mailto:sustainability@uni-muenster.de).
