Conference venue at the natural science campus of the university

Local organizer of the conference:
Institute for Geophysics of the University of Münster

Information for Exhibitors and Sponsors

The 76th Annual Meeting of the German Geophysical Society e.V. (DGG) will take place in Münster from 14th - 17th March 2016. It is organized by the Institute for Geophysics of the University of Münster. We expect approximately 500 participants to come to this yearly meeting, the largest gathering of geophysical experts from German - speaking countries. In particular, the conference presents a platform for young academics.

Among the participants of the meeting there will be decision makers in charge of purchasing equipment, requesting geophysical services, and research funding. Therefore, the DGG Annual Meeting is an ideal opportunity to present your products and services and to meet clients and potential customers. In addition to the exhibition, the meeting offers several possibilities for direct sponsoring, which is an excellent option to advertise your company.

With your fee for booth space and your sponsoring, you strongly support the activities of the DGG. It also allows students to participate in the meeting at a reduced price.

Exhibition

The meeting will take place on the Science Campus of the University of Münster. The exhibition area is located in the foyer of the main building of the department of physics, right in the center of the event. Also all plenary lectures and many sessions take place here.

Booth spaces are available in either 5 m² or 10 m² size, and also larger on request. The price per 5 m² booth space includes the registration fee (incl. conference dinner) for one person and the booth itself with a table, chairs, power supply (230 V) as well as internet access (WLAN). Your participation will be listed on the conference website and in the conference proceedings.

In case you would like to have your company logo to appear on our homepage, or wish to have an advertisement printed in the conference booklet, please use the enclosed form for booking. If larger booth space, extra poster walls, or other additional facilities are required, please contact the person responsible for the exhibition (see below).

The exhibition will open on Monday, 14th March at 5 p.m. with an Icebreaker and continue until Wednesday, 17th March at 5.30 p.m. Before the opening, all exhibitors have the possibility for a short presentation in the main lecture hall. On 15th and 16th March, there is the possibility for an outdoor presentation of geophysical devices.

Still available: A part of the exhibition area in the foyer of the main conference venue.

The deadline for the booth reservation is 8th January 2016

The location of your booth depends on the time of registration, the booth space and the number of previous participations in the annual meetings of the DGG. It will be located by the organizing committee.

Sponsoring

To increase the visibility of your company during the conference you have the opportunity to buy three Premium Sponsoring Packages. The packages “Gold” and “Silver” are only available once whilst the “Bronze” package can be assigned three times. Please contact the person in charge for the sponsoring before booking (see below).

In the conference booklet, which contains the programme and information, there is room for your advertisements. The abstracts will be distributed as files on a USB flash drive.

Gold

- ✓ Sponsoring of conference dinner: logo on the menu, reference during the opening, banner placement
- ✓ Your company's logo on conference bag and homepage
- ✓ Full page advertisement in conference booklet, colored
- ✓ Promotional item in conference bag
- ✓ 10 m² of booth space at the exhibition
- ✓ Registration to conference and dinner for two persons

price: 3500 €

Silver

- ✓ Your company's logo on USB drive with abstracts
- ✓ Your logo on conference bag and homepage
- ✓ Full page advertisement in conference booklet, colored
- ✓ Promotional item in conference bag
- ✓ 10 m² of booth space at the exhibition
- ✓ Registration to conference and dinner for two persons

price: 2500 €

Bronze

- ✓ sponsoring of two coffee breaks with logo at the coffee-points
- ✓ Logo on conference bag and homepage
- ✓ Full page advertisement in conference booklet, b/w
- ✓ Registration to conference and dinner for one person

price: 1500 €

Further opportunities for sponsoring:

- placement of promotional items in the conference bag
- advertisement in the conference booklet
- your logo on the conference homepage with a link to your own website
- sponsoring the student's night and/or the “Meet&Greet” breakfast for female geophysicists
- travel support for students and young academics who give a presentation

We would like to meet your wishes and arrange an individual sponsoring package for your needs. Please contact us!

Job centre

We offer opportunities for conversation with potential new employees in separate rooms. Many participants of the conference are about to complete their university degrees and are looking for a job. Therefore we would like to use this occasion to promote contacts between your company and potential candidates. To all exhibitors and sponsors we offer (free of charge):

- a bulletin board for job advertisements
- seminar rooms for conversation and interviews

If you are interested, please contact the organizer in charge of the job centre (see below).

Registration for Exhibitors
