“I have no words to describe how amazing and absolutely perfect this experience has been for me.”

Welcome to Leicester

We've got the world-leading courses. We've got the friendly campus. And we've got the passion and facilities to help you thrive.

Come to Leicester and we'll make your time here unforgettable. You'll leave with a renewed sense of purpose, greater confidence, and the drive to tackle whatever life and work throw at you.

This is your next step. We'll help you find your feet – then find out what you're made of.

If you're looking for reasons to choose Leicester, we've got plenty.

A wide range of courses

Whatever you're passionate about, chances are you'll find a course that interests you. Our degrees come in all shapes and sizes.

In the heart of the UK

Just an hour train ride from London, and within easy reach of major airports, Leicester is really accessible. It's also cycle-friendly and has a good quality bus service.

Local feel, global mindset

Leicester has a thriving international community waiting to welcome you. In fact, you'll be sharing the campus and classrooms with students from over 110 different countries.

No matter how far you've come, we want you to feel at home – and provide specialist staff to make sure you enjoy the best experience possible.

The brightest minds

Learning at Leicester is progressive, thoughtful, and research-driven. Our academics are some of the best in the world at what they do, and will bring out the best in you too.

Cheaper living costs

Compared to many cities here and abroad, Leicester's living costs are quite low. In fact, it's consistently rated one of the most affordable places in the UK.

Every kind of help

Welfare support, academic assistance, or just everyday advice – we're here for whatever you need.

Something special

We're the UK's only living war memorial – a university built by local citizens to honour those who served in the First World War.

Campus life

Our campus is small enough to feel at home, big enough to branch out and experience new things.

Life at Leicester is more than just what happens in class. You can join a student group or society, make use of our first-rate sporting facilities, or all of the above – it's up to you.

Either way, getting involved in campus life is worth it. And chances are you'll make some great memories – and even greater friends.

Spaces designed with you in mind

Wherever you walk around campus, you'll come across cosy corners, green patches, and other spaces to meet up with friends, take time out, or get ahead on your assignments.

A union for students, by students

Just by coming to Leicester, you're a member of the Students' Union. The organisation supports over 200 student clubs and societies. It also has jobs and volunteering opportunities, as well as great services – including welfare support and academic advice.

Always here to help

Whatever kind of support you need, you can rest assured – we'll be there to help. The Information Hub is your first port of call for any questions, information or advice.

Accommodation

You're guaranteed a place in University of Leicester accommodation if you apply before the deadline. We offer a variety of fun and safe living options for you to choose from, including catered or self-catered accommodation.

To help you get to know your neighbours, there are regular social events and there is plenty of support on hand if you need it.

Settling in

We run an Orientation Programme before classes begin in September and January of each year. We will even pick you up at Heathrow Airport – just book a place on the Airport Bus Service.

The Orientation Programme is the perfect time to get yourself up to speed, and you can:

- Complete registration
- Attend welcome talks
- Visit your department
- Enjoy social events

We will send you a full schedule before you arrive.

Welcome to the city of Leicester

Leicester is a city bursting with character, culture and colour. It's as affordable as it is friendly, and located right in the heart of the UK.

We're proud to say it also ranks as the second happiest city in the country. Given the amount of things you can do, see and experience here – this isn't too hard to believe.

“It is an amazing experience to discover a new culture and live abroad by yourself.”

Apply to Leicester

Wherever you are right now, we want to make applying to Leicester easy.

We offer two main pathways to study with us:

1) Exchange programmes

If your home university holds an exchange agreement with the University of Leicester, apply through your Exchange Coordinator. We will inform partner universities of the nomination and application process. Students successfully selected by their home universities will be directed how to submit an application by the required deadline.

2) Direct applicants

If your university does not have an exchange partnership with the University of Leicester but they are happy for you to study with us for a semester or a full year.

Apply online

In both cases, applications are made online. For the latest information see www.le.ac.uk/studyabroad-apply

Academic information

Dates

You can join us for a semester or a full year. Our full academic year runs from September to June. We also offer the option to join us for the calendar year, from January to January.

Credit system

Do make sure that modules taken at Leicester can be taken as an accredited part of your degree programme. You should check with your home university if credit transfer is permitted.

Students can choose 60 University of Leicester credits per semester, or 120 per year.

Assessments for Semester One

Exams for Semester One take place in January.

Study Abroad students may be offered alternative assessments. However, you will need to stay for the January exams if you are studying:

- Biological Sciences
- Engineering
- Geology
- Mathematics

Entry Visa and Residence Permit

You may need a visa to enter the UK. Please check: www.gov.uk/check-uk-visa

If you require visa advice or guidance please refer to the UKVI website, or contact a Visa Adviser in our Welfare Office with any questions at visas@le.ac.uk.

English language

If English is not your first language, you should provide evidence of your proficiency:

- Science* Modules: 6.0 IELTS/ 80 TOEFL iBT (*Chemistry, Computer Science, Engineering, Geology, Physics. Also the ELTU)
- All other modules: 6.5 IELTS/ 90 TOEFL iBT

If you require a Student Visa to study in the UK, you will need to obtain at least a 5.5 in reading, writing, listening and speaking in IELTS (or equivalent).

Modules on offer

As a Study Abroad student you can apply for modules from a wide range of academic fields.
