How to correctly select your Learning Agreement courses.

*MOST OF THE COURSES HAVE TO BE OF THE DEGREE YOU HAVE BEEN NOMINATED FOR.

If you need to mix areas of study, you must ALWAYS choose most subjects of the Degree for which you have been nominated and the rest among the Degrees of the same area of study, same FACULTY and same CAMPUS.

For example: if you have been nominated to study Business Administration you can select Marketing Degree subjects; or if you have been nominated for Computer Engineering you can select subjects from the Software Engineering Degree.

The number of credits for ONE SEMESTER at URJC CAN'T BE LESS to 18 ECTS.

*Due to the limited places, you can only take the course "Computer Applied to..." taught in the degree you have been nominated for.

*Only the annual students can take annual courses.

The Spanish academic calendar is divided into 2 periods, which correspond approximately to the 1st semester (from September to January) and the 2nd semester (from January to May)

You can choose subjects from all the courses / years that make up the degree BUT only those taught in the semester you have been nominated for.

So, you can see these references: 1Q = 1st semester, 2Q = 2nd semester. A = annual

Please check the link to Libro de Asignaturas/List of Courses:

<https://gestion4.urjc.es/libroasignaturas/>

You can find this information in the Teaching Itinerary of each Degree, (the number in the left column) and in the Teaching Guide for each subject (Identification of the subject- Teaching period)

*In this link you can find the Teaching Guides (Syllabus) of the courses, you must select the study (degree) and then the course you are interested on <https://gestion3.urjc.es/guiasdocentes/>

(Published teaching guides may correspond to another academic year. Until they are updated, they can serve as in information for guidance)

You must select the name of the degree (those who have "inglés" in the name are taught in English), and in the ASIGNATURAS section, select TODAS, or only the one in which you are interested, then select MOSTRAR, and you can download the content.
