

## Job Advertisement

The Department of Communication (IfK) at the University of Münster is hiring a

### **student assistant** (8-10 hours per week)

Starting as soon as possible. The job is with the **Digitized Public Spheres** team (**Jun.-Prof. Dr. Annie Waldherr**). The contract has a duration of 6 months, with the possibility of renewal.

#### **Role:**

The applicant will support our work on an international, comparative research project. The project investigates digital public spheres on Twitter in the cities of Berlin and Jerusalem, especially regarding their geospatial characteristics. It is part of the SFB 1265 "Re-Figuration of Spaces". The applicant will help us with literature research and data collection, project administration, data analysis and publications.

#### **Qualifications:**

We are looking for applicants who are enrolled as students in communication or related social sciences, Jewish or Arabic studies. Advanced Bachelor students or Master students preferred. Desired profile:

- Interest in empirical communication research and empirical research methods (particularly content and network analyses, analyses of geodata),
- Proficiency in Hebrew and/or Arabic,
- Proficiency in statistical data analysis (SPSS, R, Excel etc.) or willingness to learn,
- Good knowledge of Microsoft Office,
- Knowledge of literature management software or willingness to learn.

#### **General information:**

The University of Münster is an equal opportunity employer and is committed to increasing the proportion of women academics. Consequently, we actively encourage applications by women. Female candidates with equivalent qualifications and academic achievements will be preferentially considered within the framework of the legal possibilities. We also welcome applications from candidates with severe disabilities. Disabled candidates with equivalent qualifications will be preferentially considered.

Please apply until **August 26<sup>th</sup>**, 2018 to:

Jun.-Prof. Dr. Annie Waldherr  
Institut für Kommunikationswissenschaft  
Bispinghof 9 - 14  
48143 Münster
