--	--	---

Range of Application		
	Working with Critical Point Dryer Leica EM CPD 300	
Hazard for People and the environment		
	<ul style="list-style-type: none"> <li>Contact with electricity or potential for electric shock</li> <li>Exposure to CO2 gas</li> <li>Exposure to pressure vessel</li> </ul>	
Safety Measures and Rules of Behavior		
 	<p><b>The machine is to be used only by instructed persons</b></p> <p><b>General:</b></p> <ul style="list-style-type: none"> <li>It is forbidden to dry any biological samples or any samples that might contaminate this machine</li> <li>Only the provided ethanol is to be used as exchange medium</li> <li>Only the provided holder and filler are to be used</li> <li>The lid may only be removed when the pressure gauge reads 1bar</li> <li>Turn off instrument, and be sure NOT to tighten nuts on lid, so that the next user knows upon starting work that the dryer is not under pressure</li> <li>The dryer requires the use of liquid CO2 cylinder with a purity of 5.0. Only trained staff is permitted to move and install these cylinders</li> </ul> <p><b>Personal protective equipment:</b></p> <ul style="list-style-type: none"> <li>Safety goggles</li> <li>Lab coat</li> <li>Nitrile gloves</li> <li>Enclosed footwear</li> </ul> <p><b>Storage:</b></p> <ul style="list-style-type: none"> <li>The provided ethanol is to be stored at a well-ventilated place</li> </ul>	 
Behavior in a Dangerous Situation		
	<ul style="list-style-type: none"> <li>Enter the danger zone only with adequate protective clothing</li> <li>Get people out of the danger zone</li> <li>Immediately leave the danger zone</li> <li>Inform your superior</li> <li>In case of fire, every fire-extinguishing medium can be used</li> </ul>	
Action in Accident, First Aid		
	<ul style="list-style-type: none"> <li>Treat smaller injuries</li> <li>Inform first aiders</li> <li>Note accident in the accident book</li> <li>In case of sever injuries, inform an emergency doctor</li> <li>Inform your superior</li> </ul>	
Disposal		
	<ul style="list-style-type: none"> <li>Do not dispose of the waste in the drain and use only the provided container.</li> </ul>
