& Benjamin Sturm.

A symposium in honour of Wolf Dietrich (1938-2014), focusing on the musical recordings from his fieldwork in the Balkans, the Mediterranean and West Asia during the decades 1960-1990. Presentations and discussions by professors and researchers from Austria, Cyprus, Germany, Greece, and Turkey will explore selected material from the Wolf Dietrich Collection in Münster, shedding light on issues related to music, ethnomusicological research, culture, and society.
