

How to shape sustainable cities for the future? Challenges for urban governance

WBGU Side Event @ COP23
German Pavillon, Bonn Zone
Tuesday, 7th November 2017
13:30 – 14:00

Sabine Schlacke, WBGU Chair

The momentum of urbanization and its impacts are so massive that we must face up to this trend. The success or failure of the Great Transformation to sustainability will be decided in the cities. Sabine Schlacke will present recommendations from the WBGU report „Humanity on the move – Unlocking the transformative power of cities“.
