

5TH INTERNATIONAL MINI-SYMPOSIUM

ON

MOLECULAR MACHINE LEARNING

JANUARY 19TH 2023

3:00 PM (UTC +1)

Online Symposium - Registration Required

3:00 pm Introduction

3:10 pm **Núria López** *Institut Català d'Investigació Química, Spain*
Machine Learning Tools in Heterogeneous Catalysis and Electrocatalysis

3:40 pm **Kim Jelks** *Imperial College London, UK*
Remembering the Lab in Computational Molecular Materials Discovery

4:10 pm Break

4:30 pm **Tim Cernak** *University of Michigan, US*
Information Rich Retrosynthesis Tactics

5:00 pm **Sarah Reisman** *California Institute of Technology, US*
From Computational Discovery toward Data-Driven Design of Molecules and Materials
