

2ND INTERNATIONAL MINI-SYMPOSIUM

ON

MOLECULAR MACHINE LEARNING

JANUARY 14TH 2021

3:00 PM (UTC +1)

Online Symposium - Registration Required

3:00 pm Introduction

3:10 pm **Abigail Doyle** Princeton University, USA

Machine Learning for Experimental Synthetic Chemists

3:40 pm **Klaus-Robert Müller** Technical University of Berlin, Germany

Machine Learning for the Sciences - Towards Understanding

4:10 pm Break

4:30 pm **Alán Aspuru-Guzik** University of Toronto, Canada

There is no Time for Science as Usual: Materials Acceleration Platforms

5:00 pm **Connor Coley** Massachusetts Institute of Technology, USA

Data-driven chemical synthesis

FOR REGISTRATION, PLEASE, FOLLOW THE LINK BELOW
