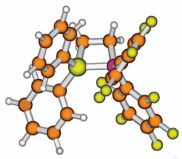
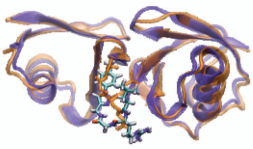
WWU MÜNSTER

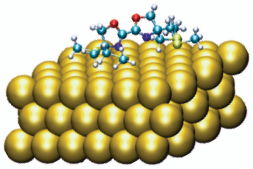
SFB 858

11th MÜNSTER SYMPOSIUM ON COOPERATIVE EFFECTS IN CHEMISTRY

May 8th 2020







09.55 AM **OPENING** Auditorium (Aula), Castle of the WWU Münster

10.00 AM › **GUY LLOYD-JONES** The University of Edinburgh, UK
Chasing Intermediates in Capricious Reactions

11.00 AM › **STEFANIE DEHNEN** Philipps-Universität Marburg, GER
Multinary Clusters – Between Molecular Aesthetics and Macroscopic Functionality

12.00 Business Lunch

12.30 PM › **SYMPOSIUM POSTER SESSION**

02.15 PM › **MS_CEC YOUNG RESEARCHER AWARDS**
Awardees' Presentations

03.00 PM › **STEVEN BENNER** FfAME, Alachua, Florida, USA
Rethinking Nucleic Acids.
From the Doctor's Office to Planet Mars

04.00 PM › **SCOTT E. DENMARK** Univ. of Illinois, USA
Discovery and Optimization of Enantioselective Catalysts Through Chemoinformatics

05.00 PM › **MS_CEC POSTER PRIZES**
Closing Remarks

MS_CEC YOUNG RESEARCHER AWARDS 2020

For an outstanding scientific paper with first authorship by PhD students, postdocs, and habilitands published in the fields of Molecular Chemistry, Catalysis, Nano Materials, Surface Chemistry, Theoretical Chemistry and Biochemistry.

MSCEC Young Researcher Awards

More Information:
http://www.wwu.de/sfb858/mscec.html

Submission Deadline (Young Researcher Awards): Tuesday Apr 14th, 2020

MSCEC 2020 Poster Prizes

The SFB 858 cordially invites young researchers (graduates and postgraduates) to present posters! (Submission Deadline: Friday, April 24th 2020)
