Bayer is a global enterprise with core competencies in the Life Science fields of health care and agriculture. Its products and services are designed to benefit people and improve their quality of life. At Bayer you have the opportunity to be part of a culture where we value the passion of our employees to innovate and give them the power to change.

Inhouse Consultant Intern (m/f/d)

YOUR TASKS AND EDUCATIONAL OBJECTIVES
Exciting projects, exceptional team spirit and a healthy work-life-balance. This is what you can expect from one of Germany’s leading inhouse consultancies and Bayer’s partner of choice when it comes to management consulting: Bayer Business Consulting (BC). Here at BC we follow our mission to provide great project work for Bayer and drive talent development. Constant feedback, a wide range of training opportunities and a global perspective will ensure a steep learning curve throughout your journey at BC. Bring your expertise to one of our four departments in the areas of research & development, product supply, marketing & sales or corporate strategy & business transformation.

- Be a member (m/f/d) of a consulting project team working on strategy, portfolio, process or organizational topics
- Assist with project-related activities to assuming project responsibilities of your own
- Help in strategic assessments and evaluations
- Support the team in developing proposals for change together with the client, based on solid analysis through workshops, interviews and desk top research
- Get in direct contact with customers and fellow consultants
- Help to drive and implement change for improving everyday work
- Gain interesting and challenging insights into the inhouse consulting activities of a DAX company

WHO YOU ARE
- Currently in the main study phase of an economics/business, psychology, engineering or science degree course or in the process of completing such a course
- First experience in consulting projects, i.e. through previous internships as well as work experience abroad
- Excellent analytical and conceptual skills, professionalism, a rapid grasp of facts and enthusiasm
- Willingness to travel domestically and internationally as required
- Excellent command of English (written and spoken) is a prerequisite, German of advantage

HOW TO APPLY
The internship will take place in Leverkusen area, however, some international assignments are possible. If your background and personal experience fit this profile and you can join us for at least 3 months, please send us your complete application (cover letter and your CV in English as well as references).

Internships at Bayer are designed to help you gain experience, learn new things and decide which direction you want your career to go in. You will perform practical tasks under the guidance of experienced members of staff, helping you to enhance your theoretical knowledge in the process.
