

VISIT TO CERN

25 – 28 September 2018

We will have the opportunity to explore:

- Exhibitions “Universe of Particles” and “Microcosm”¹
- Guided tour to the ALICE experiment site
- Exchange of experiences on the career in Physics with CERN female scientists
- Researchers’ night at CERN²

In addition, we will participate in the **1st Workshop on High Energy Theory and Gender**³ that will be held at CERN, 26 – 28 September 2018. The workshop will focus on recent developments in theoretical high energy physics and cosmology, and discuss issues of gender and equal opportunities in the field.

Offered and organized by:

*Graduiertenkolleg 2149
Research Training Group*
