

Supervision Agreement

For the purpose of doctoral supervision at the Graduate School Practices of Literature, the following persons will enter an agreement according to article 6 (1-6) of the Rules and Regulations of the Graduate School Practices of Literature, Department of Philology, University of Münster, dated January 24, 2019:

Name of the Doctoral Candidate

Name of the First Supervisor

Name of the Second Supervisor

Name of the Third Supervisor

Major/Subject

Working Title of the Dissertation

The PhD student undertakes ...

- to report to the supervisory board regularly about the status of the work and to submit a 50-page work sample after the second semester;
- to complete an individual study program according to the requirements of the graduate school.

The supervisors undertake ...

- to accompany the PhD project in an advisory capacity;
- to read the submitted texts promptly (ideally within two weeks) and to discuss them with their mentee.

This agreement must include the following documents:

- a timeline that documents the planned and completed work for the dissertation;
- if necessary, a list of further qualifications to be acquired according to article 6 (8) and created in agreement with the supervisory board.

This supervision agreement is valid until the completion of the dissertation and the final oral exam.

The supervision relationship is hereby confirmed:
