Extract from the FIT database

To make your search easier, an additional **filter function** allows you to sort the entries by

- creation date,
- expiration date,
- alphabetically (A – Z, Z –A).

The **Information Service Research, International, Transfer - FIT** provides you with targeted and tailored **information on research funding**. Use your e-mail address to register in FIT and create an **individual user profile**: You determine the scientific fields, types of funding as well as funding bodies about which you would like to receive information. At a time of your choice, you will receive an e-mail with the current funding information that is important to you. If you need additional information, you can **search our database** at any time.

Please note that most of the articles and the menu language of FIT are in German!
