

FAMILY IN THE EARLY MODERN CITY: LEGAL, SOCIAL AND CULTURAL ASPECTS

INTERNATIONAL CONFERENCE | MAY 25-26, 2026

We welcome contributions from history, legal history, social and cultural history and related fields, including comparative, interdisciplinary, and digital humanities approaches.

Format: Hybrid (in-person participation encouraged)

Working language: English

Selected themes include:

- Urban family structures and household organization
- Family law, marriage, and kinship
- Family hierarchy, childhood, and old age in urban contexts
- Inheritance and property transmission
- Literacy, education, and reading culture
- Digital sources and methods

Please submit a paper proposal (abstract of 300–400 words) by **30 March 2026** via the application form:

<https://forms.gle/xvwuaN4U6FCrHnjF9>

Selected papers will be considered for publication in a peer-reviewed issue of *Ukrainian Historical Review* (UCU).
