

Internship in Supplier Innovation Management

HENKEL IS FOR THOSE WHO STEP UP. DO YOU?

At Henkel, you can make a difference and craft your career. That's why you own your projects and take full responsibility from an early stage. Our unique brands in markets around the world open up countless opportunities to follow your convictions and explore new paths. If you have an entrepreneurial mindset that allows you to always think out of the box - take the chance and shape the digital future together with us.

Building on collaborative relationships with strategic raw material suppliers, Supplier Innovation Management connects development needs of Henkel Adhesive Technologies and capabilities of supplier partners to create best-in-class innovations for customers. Working closely with product development, purchasing and business, we steer supplier performance, ensure smooth collaboration, support negotiations and drive joint projects to success.

YOUR ROLE

- Become a team member of the diverse and global Supplier Innovation Management team
- Support supplier/technology scouting projects and research activities
- Contribute to the digital workstream of the team
- Help to drive Supplier Relationship Management program
- Communicate with internal and external stakeholders from R&D, purchasing or business
- Collaborate with the team members on key strategic initiatives and contribute with your ideas
- Drive your assignments, plan your time and workload

YOUR SKILLS

- Motivated student of business chemistry or similar program
- Experience from other internships preferred
- Good organizational and time management skills
- Strong sense of ownership and independence
- Creativity and eagerness to contribute with ideas
- Advanced communication skills
- Good knowledge of MS Office applications
- Excellent English language skills

Duration of the internship: **6 months**

Earliest possible start date: **March 1, 2019**

Location: **Henkel, Düsseldorf**
