Scientific discipline

+

Current research interest/topic

e.g. „(...) I obtained a Ph.D. in Informatics and I 'm currently doing research on Humour and Blockchain, which often makes me rolling over the floor laughing, well, better known as 'rofl'. Apart from that, I'm hoping it'll make me freaking rich (...)“

Scientific career

Please give some background regarding your scientific career (research topics/ interest in the past etc. as well as a glimpse at your personal life (e.g. hobbies, special interests, personal peculiarities etc.)

Explain your interest in a fellowship at the University of Münster

Why are you interested in a fellowship at the **University of Münster**, what do you find appealing etc?

Feel free to include any additional information/story about you, ...

... which helps getting to know you a little more despite the geographical distance.

Be casual

We encourage you to approach the video-making in a light-hearted, humorous and casual manner. We're not looking for the perfect application video as a „kind-of job interview“. Foremost we want to get a first glimpse at who you are (personal info) and what you do (research) in an entertaining manner. (Your best science-related joke might come in handy as well ...;)

VIDEO SPECS

Video length

Your video should have a minimum of 90 seconds (please do not exceed 150 seconds of total running time).

Resolution

Please film in Full HD (1920 pixels x 1080 pixels) resolution.

Please film your video in landscape orientation

Please make sure you are discernable

Make sure that your video is neither too dark (and you become invisible – which might be a nice trait as such, but unfortunately for us, we would not be able to see you). The same applies to too bright settings, for exactly the same reason.

Audible voice

Please make sure that your voice is audible in the video.
